Hike for Humanity

'Put your best foot forward and join us to Hike for Humanity in aid of the world's children.' –

UNICEF.org.uk

UNICEF Oxford and OU Walking Club are inviting you to join us for sponsored 'Hike for HumanityTM' – a simple and fun way to help improve the lives of children around the world.

In many developing countries, children walk for miles every day - to collect water, find food and to go to school. By coming to our first Hike for Humanity on **Sunday 26th Feb** (7th week Hilary term) to Cotswold, you can help change this.

To sign up, please email Pam Liu at wei.liu@keble.ox.ac.uk

Hike for Humanity

UNICEF Oxford and OU Walking Club are inviting you to join us for sponsored '**Hike for HumanityTM**' – a great way to get some fresh air and a fantastic opportunity to raise vital funds for UNICEF's work to benefit children around the world.

In many developing countries children walk for miles each day covering huge distances to collect water, find food and to go to school. By taking part in our first 'Hike for HumanityTM' on **Sunday 26th Feb** (7th Week Hilary Term) to the Cotswolds, you can help change these children's lives for the better.

Through this event, we hope to fundraise as much as possible to restore lost childhoods. UNICEF works in 158 different countries helping children to reach their full potential – working to get children back into school, helping children orphaned by HIV/AIDS and protecting them from exploitation. A little can go a long way: 45p is enough to immunize one child in Benin against a preventable killer disease like polio or measles. Please come and help us by signing up now!

If you are interested in joining 'Hike for HumanityTM', please email Pam Liu at wei.liu@keble.ox.ac.uk, or James Welch at james.welch@univ.ox.ac.uk
