**Equipment:** You will need more equipment than you would require for a normal weekend trip. In addition to a pair of walking boots, you will need a rucksack large enough to carry all of your kit (including tent, sleeping bag etc.) In addition you will need a tent, sleeping bag, a camping stove and full waterproofs (these can be borrowed from the club on request) n.b. we *DO NOT* have any large rucksacks that you can borrow.

**Food:** Unlike normal weekend trips, food IS NOT provided within the cost of the trip. You should bring money for two pub meals (dinner on Friday and dinner on Monday), as well as food for all of your other meals (dinner would be cooked, and breakfast/lunch will likely be sandwiches etc. although you are welcome to cook yourself breakfast if you want).

**The trip (also see website description):** the plan is not fully confirmed, but at the moment is to drive to Inverarnan on Friday morning, before walking to our first camping spot near Lochan a' Chaisteil (see picture). We will aim to climb all 7 munros (mountains over 3000ft/314m) south of Crianlarich over the next 2.5 days, 3 on Saturday, 2 on Sunday, and 2 on Monday. We will camp at locations where land is flat and water is available. There should be splendid views and overall a spectacular more "wild" experience than on most OUWC trips in recent memory! Please note: this trip is NOT A LED TRIP like most OUWC trips: it is "group of equals" (*please see website description for more detail*)!

**Membership:** as with all OUWC trips, you must become a member of the club to be allocated a place. We are only able to offer refunds on trips if we are able to fill the vacated place. There is a balloting procedure for oversubscribed trips.
